Replacement Carbon For Most Applications Part #70055

Replacement Ammo-Gran For NH3 Part #70056

- If you cannot find the listing for your cab then please call the factory.
- Dutch's filters use the external dimensions of the casing without the seal.
- Some filters require two boxes of the medium to completely fill; both are included in the price of the filter.

- Some tractors require two filters; the Dutch part number includes both filters.
- Replacement paper can be ordered by the box. Each box will contain three pieces of paper. To order please have your filter part number available.
- Carbo Gran 70055 comes as part of our filter kit.
- Ammo Gran 70056 will include an additional fee.
